a) Conservancy Establishment:- There are 38 permanent Sweepers at present. 5 extra Sweepers at Rs 8 p.m. each p.m. were allowed to be employed as a temporary measure upto 30.6.43. Instead of discharging it, the MCL have been continuing the extra staff during 1942-44, 1944-45 & 1945-46. The present proposal is to place the services of the said five extra Sweepers on a permanent basis on the ground that it is necessary to have the extra staff.

Sir,

Subject:- Sanction to the creation of some new appointment at Channapatna Town Municipality.

-:ooo-

I have the honour to state that the Channapatna Town Municipal Council have resolved that sanction of Government to the following appointments be obtained in the interest of efficient discharge of Municipal work.

2. The Municipal Council propose in the first instance the increase of sweepers by 5. The present strength of sweepers is 35. On the report of the President praying for extra staff in view of the length of roads and growing importance of Channapatna Town, 5 additional sweepers on Rs.10/- each per month were sanctioned as a temporary measure up to 30-6-1943 in this office memo No.M6-1251-90/42-43 dated 9-3-43. These posts have been continued up to date, without obtaining sanction to their continuance. The Municipal Council have resolved at their meeting held on 20-11-1944 that on account of the necessity for the above extra staff they were continued during the years 1943-44 and 1944-45 and request that their action may be ratified. In their meeting held on 31-3-45, the Municipal Council have finally resolved that the appointment of 5 extra sweepers may be sanctioned as a permanent measure. The proposition statement embodying the variations is herewith enclosed The Municipal Council propose to meet the extra expenditure out of the closing balance of their funds.

3. Secondly, the increase of toll-gate staff is proposed by the Municipal Council. The sanctioned strength of toll gate cum octroi peons is 3 on Rs.10/- each per month. On the report of the Amildar President of the Municipality requesting for extra staff for the better supervision of the collection of octroi and to look after the additions

toll-gates opened, the appointment of 3 additional toll-gate peons on Rs.10/- each p.m. was sanctioned purely as a temporary measure up to the end of June 1943 in this office memo No.M.Dis.M6-1248/42-43 dated 9-3-43 These appointments have also been continued up-to-date without competent sanction and the Municipal Council resolved at their meeting held on 30-11-1944 that their action might be kindly ratified by Government. The comparative statements of toll and octroi income for the last 5 years are herewith enclosed. The octroi revenue shows a steady increase while there is not much appreciable increase under the tolls. However, the Municipal Council have resolved at their meeting held on 31-3-45 that the posts of 3 additional toll-gate keepers might be sanctioned as a permanent measure and the expenditure be met out of the closing balance The proposition statement in this behalf is enclosed for favour of reference.

4. Lastly, the appointment of an octroi Supervisor on Rs.25/- p.m. is proposed in place of a Pygust on s.15/- p.m. It is reported that no tangible progress was shown by the low paid Pygusth and that for checking smuggling of dutiable goods etc., the appointment of an octroi Supervisor on a higher pay is necessary. The appointment of the Pygusthi has also been made temporarily. The Municipal Council have resolved at their meeting held on 14-9-44 that whatever the designation may be, the appointment of an extra hand for octroi collection is necessary as a permanent measure. The octroi income has nearly doubled, during 1943-44 as compared with that in the year 1939-40. The appointment of an octroi Supervisor on Rs.25/- p.m. therefore appears to be necessary The proposition statement is enclosed for kind perusal.

In these circumstances, I request that sanction of Government may kindly be obtained to the above proposals of the Municipality.

I have the honour to be,

With reference to your letter No.L. 2432 dated 26-9-45 calling for additional particulars on the above subject, I have the honour to forward herewith the report No.M.C.25/45-46 dated 14-1-46 received from the President, Channapatna Municipal Council, and to request that in the circumstances reported by the President, sanction of Government may kindly be obtained to the proposals already made in this behalf.

2. The report of the President is self-explanatory. The President has admitted that the temporary staff was employed without proper sanction and requests condonation for delay in obtaining sanction. It is also true that these temporary appointments were not noted in the scale register and omission to make any entry in the register has led to this confusion which is explained to be due to frequent changes of hands in the office. Since a number of clerks are responsible for this state of affairs who are now scattered in different places and since the continuance of these appointments was really necessary in the interests of the Municipal administration, further pursuing the matter may kindly be dropped. Suitable instructions have been issued to the President to see that such omissions are avoided in future.

3. In the above circumstances, I request that omission to obtain sanction of Government in time may kindly be condoned and the request of the Council conceded to as already recommended in this office letter of even number dated 19-6-45.
